Forecast for Saturday 29 Aug 2020

Weather: Partly cloudy skies and isolated light rain showers during the early hours and at first on Saturday. The showers will largely fade away mid-morning onwards, but the odd light one may develop in the afternoon. Becoming dry with clear periods on Saturday evening. Breezy throughout the day, making it feel cold on the higher routes.

Chance of cloud free mountain/hill tops above 600m: 90% at first with patchy cloud near 800m, then improving to 100% soon after dawn.

Visibility: Generally excellent with clear views of distant hills, and only brief deteriorations in any showers.
